

## Chronic Fatigue Syndrome (2nd Revised edition)

By Frankie Campling, Michael Sharpe

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Chronic Fatigue Syndrome (2nd Revised edition), Frankie Campling, Michael Sharpe, Chronic fatigue syndrome (CFS) remains one of the most controversial illnesses, both in terms of its causes, and the best ways to treat the illness. For years, sufferers have had to deal with scepticism from their families, employers, and even health care professionals. The vast amount of conflicting advice that has been published up to now has served only to confuse sufferers, and professionals, even more. Chronic Fatigue Syndrome: The Facts presents a compassionate guide to this illness, providing sufferers and their families, with practical advice, based solely on scientific evidence. It is unique in being written by both a sufferer and a physician, both of whom have had extensive experience of talking to, and helping, patients. Included in the book is a detailed guide to self-help, written from a patient's perspective, but evidence-based. The book also deals with a number of special issues, advising on how to choose therapies and therapists, and how to deal with CFS in children. The book additionally includes an overview of the history of the illness, looking at the nature and causes of CFS, and...
