Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Volume 1. Vampires aren't real, and if they were, they sure as hell wouldn't live in San Diego. Right? Winter Ashton is content to let her life slip past in a veil of coffee vapors and cigarette smoke, as she tries to pick up the pieces after a nasty break-up left her with a broken spirit and a shattered sense of self-worth. But when she answers a desperate call from her long-lost friend Jenna, Winter is forced into the unlikely role of protector. Faced with the task of sheltering two vampires, Winter enlists the help of her metal-head landlord, and the quiet Goth girl next door, both of whom harbor dark secrets of their own. As Winter is caught between her fierce loyalty for her friend and the reality of the danger that this new world has brought, she must also contend with the power-hungry vampire who wants nothing more than to reclaim Jenna's strange savior Malachi. In a twisted story of love, treachery, midnight lattes, and the undead, Winter will have to find the strength to stand beside the ones she loves before they are lost forever.
