Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Filet Crochet In One Day: Learn The Most Elegant Crochet Techniques In No Time! It seems with the world of crochet, there are always new and fun techniques to learn. Whether you are learning a new kind of stitch to use in an old pattern or if you are learning a whole new technique all together, there really is no way you could learn everything there is to learn in this fun hobby. But as you go through the different things you can learn, there are always going to be times when you want to spice up the hobby in a whole new way. Sure, you can learn how to do a new stitch here and there, or you can learn how to use a different size hook to get a new kind of effect, but when it comes to learning something entirely new - there are times you just want to jump in and make it happen. Filet crochet is a different kind of crochet that is not as well known as some of the other popular methods. With this kind of crochet you are going to create images and messages in the patterns you make, allowing you to show off a new kind of creativity. But how? How do you use crochet to make images and messages? How do you show off your skills when you are working across the row again and again? That s where this book comes in. In it, you are going to learn everything you need to know about the technique of filet crochet. You ll learn all about the kind of hobby that it is, how you can get started in it yourself,...
