Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.It s a daunting task to figure out how the stock market works. You ve probably heard both good and bad things about it. Still, you want to learn more about the stock market. It could also be that you want to start investing but don t know where to begin or how much to invest. If you re already investing, you want to learn better ways to grow your investments, because you want to be more confident about your financial future. Up until now, you probably didn t have enough time to learn about investing and it might seem too confusing, because there is so much information out there about investing. You also don t want to lose your money or don t have enough money to begin investing. What if you had the confidence to start investing on your own, so you could show off your investment performance to family and friends? Leave the stress of an insecure financial future behind you and create sustainable wealth, which you can pass down to your family. In this book I give you a quick overview about what you need to know about the stock market, how to begin, what to do if you don t have enough cash, how to generate passive income, and how to analyze companies. I also give you a list of companies I personally invest in and I try to answer all the questions you might have that are stopping you from getting started or progressing in your investing journey. I ll show you why you need to watch out with investment vehicles such as the 401K and index funds. This...
