Brand New Book ***** Print on Demand *****.STOCK TRADING: The Best Techniques To Multiply Your Cashflow With Stock Trading If you are no longer content to let your money sit in a savings account, growing slowly (if at all) and not exactly earning its keep, this is the book for you. Inside, you ll learn how to make your money work for you, building on itself and increasing your wealth starting immediately. This book is not just a list of tips and tricks. It is, instead, a guide to building a reliable and effective plan to use the stock market as a tool to increase your wealth. From the basics of portfolio building to the brass tacks of placing orders, you ll get all of the concrete knowledge you need to become a successful trader. After that, you ll learn the details about choosing entry and exit points to make each position you take on a profitable one. Finally, we ll share the experience we ve built over years of trades with you in a clear, concise, easy-to-understand format. Forget everything you ve heard or seen in movies about the stock market being a dog-eat-dog, impenetrable zoo. With the tools available online and the knowledge in this book, anyone can become a trader from their own home. Most importantly, anyone with the dedication and understanding of the principles inside can become a successful money manager. This means more than just making the occasionally trade on the market; it means using your income to provide for you and your family for years to come. Take the next step toward continued financial health and abundance, and let us guide the way.
