Osprey Publishing. Hardback. Book Condition: new. BRAND NEW, The Cat Book: Cats of Historical Distinction, Kathleen Walker-Meikle, Regal, elegant, affectionate, calculating, and of course utterly adorable, the cat has been part of our lives for millennia. The Cat Book pairs stunning historical illustrations with informative and amusing text in a tour of feline history from the earliest days of civilisation to the twenty-first century. Taking in the cat goddess of Ancient Egypt, where people shaved their eyebrows to mourn the death of a cat, the medieval Irish law that calculated a cat's value at three cows, Samuel Johnson's dotting care for his oyster-loving cat Hodge, Oscar, the ship's cat that survived three shipwrecks in the Second World War, and the cats of famous people from Cardinal Richelieu to Edward Lear, this is the perfect gift for the cat lover - a guide to the role of cats in history and the people who have loved them.
