## THE COMING JOBS WAR

BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. What everyone in the world wants is a good job. This is one of the most important discoveries Gallup has ever made, says the company's Chairman, Jim Clifton. In *The Coming Jobs War*, Clifton makes the bold assertion that job creation and successful entrepreneurship are the world's most pressing issues right now, outpacing runaway government spending, environmental degradation and even the threat of global terrorism. The book is grounded in findings from Gallup's World Poll, which reveals the implications of the jobs war on everything from economics to foreign policy to nothing less than America's moral authority in the world. And it offers a prescription for attacking the jobs issue head-on. Clifton argues that the solution to creating good jobs must be found in cities, not in the federal government. Promoting entrepreneurship and job creation must be the sole mission and purpose of cities business leaders, government officials and philanthropists. Clifton says that the next big breakthrough will come from the combination of the forces within big cities, great universities and powerful local leaders. Their combined effect is the most reliable, controllable and predictable solution to America's biggest problem. Strong leadership teams and a natural order are already in place within cities -- in governments and local business and philanthropic entities, with caring leaders working on initiatives to fuel local economic growth and to create good jobs. The feat these leaders have to pull off is doubling their entrepreneurial energy by aligning their local forces: local tribal leaders, super mentors and universities. Winning the jobs war will require all hands on deck, and failure is not an option, especially for the United States, which has been the global leader in promoting freedom and...
