WOODWORKING BUNDLE BOOK YOU HAVE BEEN WAITING FOR IS NOW ON SALE!----- This book has 2 manuscripts -----1 - Woodworking for beginners2 - Woodworking Projects BookHave you ever wanted to get into woodworking but didnt know where to start or know what size shop you will needMaybe you like the idea of woodworking as a way to turn a profit, occupy down time, or just to learn a new skill. Or perhaps you found a field that you are interested but you dont know what tools you need to buyWell, youve come to the right place!There are a lot of websites, DIY instructions, and blogs out there that will show you the easy way or hack of how to build furniture, but a true woodworker takes skill, knowledge, and practice to create works of art that will last generations. Dont fall for the quick and simple gimmicks. Instead, take the time to learn how to do things the right way. Start with this amazingly comprehensive book that will lead you through several different fields of woodworking. Then learn about the necessary and important tools per field. You will then get an idea of what tools you will need to invest in and you will learn what sort of shop you will need. Some fields require lots of room or even multiple rooms and some only need a desk top and a plug in. Some fields require many tools and some only require a few. You can combine your wallet, space, and interests to find the right hobby for you!Some of the woodworking fields mentioned are: Dimensional Furniture Making: use dimensional lumber to create all different types of functional and decorative...
