### **Reviews**

*This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Excerpt from The Sankhayana Aranyaka, Vol. 18: With an Appendix on the Mahavrata I have to express my heartiest thanks to the Council of the Royal Asiatic Society for accepting this translation for their series, and to Miss Hughes for the great trouble she has been so good as to take to secure its satisfactory production and to remove errors. Professor Eggeling, under whom I commenced to learn Sanskrit, has done me the honour of reading a proof and of making suggestions which I have been only too glad to accept.
