

## Gajpeepal" An Ayurvedic Herb As Hepatoprotective Agent

By Shrivastava, Nikhil / Baghel, Rajendra singh

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Effect of Hydroalcoholic Extract of Gajpeepal in Paracetamol induced Hepatotoxicity in experimental animals | Hello readers i am very glad to introduce my work as a book to all of you. This book is the plant based pharmacological drug screening study. This contains the basic pharmacological techniques, pharmacological procedures and the biochemical methods for determine the exact results of the study. This activity was highly accordance with the OECD Guideline and as per CPCSEA Guidelines(India). This is the original research and the results were found to be significant. The pharmacological study of any chemical or crude origin drugs are very important for new drug discovery process this is the primary step for the new drug discovery from plants origins. In this book the hepatoprotective potential of the GAJPEEPAL (Scinadapsus Officinalis fruit) is explored by inducing the paracetamol hepatotoxicity in experimental animals(wistar rats). The calculations of results were done by the SPSS software. Thank you | Format: Paperback | Language/Sprache: english | 92 pp.
