

Brecon Beacons

By Jonathan Mullard

HarperCollins Publishers, United Kingdom, 2014. Paperback. Book Condition: New. 214 x 150 mm. Language: English . Brand New Book. The first comprehensive book to be published about the wildlife of the Brecon Beacons is a much-anticipated addition to the New Naturalist series, and reveals the natural wonders of this seemingly wild and inhospitable mountain landscape. The Brecon Beacons range across upland Wales and create a varied landscape of extensive cave systems, limestone crags and rich meadows. This variety supports thousands of species, some of which are found nowhere else on Earth. The natural history of the Brecon Beacons is like most parts of the British Isles - inextricably linked to the activities of man across many thousand years. Jonathan Mullard explores the evolving landscape and observes its effects on its native species and habitats. He provides a detailed examination of the geology of the region and the integration of the archaeological and historic landscape with the natural landscape and its fauna. Covering the vast diversity of its mountains and moorlands, rivers and waterfalls, caves, woodlands, wetlands and farmland, he provides an overview of man's influence on the natural environment over the centuries and the ongoing conservation of the area....
