MOONDRIVE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. They never knew the battle that was coming would be ALL OUT WAR! In the distant star system of Gerandra, the Dark Queen named Syrinx plots her ultimate ambition: the annexation of the Solar System, and the systematic subjugation of all humanity. To this end, she commands her team of specialists known as the Science Guild to devise a means involving not one, but two moons. Unknown to her, however, she and her Guild are being watched by the quasi-beings called the Elders of the Wind-Light, who even now prepare to bestow a great power to three young Earthmen. These young men, veterans of a great cosmic war, come to be known as the Sigil Masters. Soon a battle of wits between good and evil must be fought . . . before Humanity s time runs out!
