The Time Machine Twins (Paperback)

By Cpt Sprocket

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In the year 2050 children s toys are wackier than they ve ever been. With technology only limited by the imagination of the clever inventors who come up with these crazy new devices, there s enough flashy machines capturing the attention of children to keep parents busy for a whole year. But the toy every kid wants in 2050, including twins Zac and Bev, is the Infinity Junior Time Machine. After being disappointed with a speed flight remote control helicopter for their previous birthday, Zac and Bev have spent the last year praying and hoping that their Mum and Dad would surprise them with their own Infinity Time Machine. However, when the big day finally arrives and they unwrap their brand new present, it turns out that the time machine isn t just a toy - it actually works! Warped back in time without their parents permission, Zac and Bev discover a world entirely unlike the super slick reality of 2050. Seeing new exotic places and exploring dangerous periods throughout history, the twins have to come together and follow the...

Reviews

The ideal publication i at any time read through. It really is writer in easy phrases and never difficult to understand. Its been designed in an remarkably easy way which is merely right after i finished reading through this publication by which actually transformed me, affect the way i think.

-- **Jaqueline Flatley**

A high quality book and also the typeface utilized was exciting to read. This really is for anyone who statte there was not a worthy of reading. I am easily will get a enjoyment of reading a written ebook.
