### **Reviews**

*The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## DEGREELINKED: THE STUDENT NETWORK MARKETPLACE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. DegreeLinked: The Student Network Marketplace: Challenge Opportunity: Applying to undergraduate and graduate school is a time-consuming and tedious task. It requires first selecting the right school and then filling out numerous applications including different essays. 75 of prospective students say that they would have applied to more schools if the admissions process were less tedious and time-consuming. DegreeLinked simplifies the university admissions process by standardizing and consolidating it into one singular platform. Connect directly with university admissions representatives, share academic performance and write one application used for all target universities at Key Question: How to Connect Students with University Admissions Employment Opportunities? DegreeLinked Methodology: Provide a networking platform that connects former, current and prospective students with university admissions and employment opportunities. The student marketplace allows universities to run the admissions process through the platform and students get to make one application for all target universities.
