

## Animal Tracks of the Midwest

By Jonathan Poppele

Advance Publishing In.,US, United States, 2014. Spiral bound. Condition: New. Language: English . Brand New Book. From the backyard to the backwoods, keep this tabbed booklet close at hand. Based on Jonathan Poppele's popular field guide and featuring only Midwest mammals, the booklet is organized by group for quick and easy identification. Narrow your choices by group, and view just a few animal tracks at a time. The pocket-sized format is much easier to use than laminated foldouts, and the tear-resistant pages help to make the book durable in the field. Animal Tracks of the Midwest features realistic track illustrations and size information for more than 95 species. With a step-by-step guide to track identification, as well as a track information chart and sample gait patterns, the booklet has just what you need to identify animal tracks in the field.
