Oxford University Press Inc, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. With some help from the US, the sheiks rebounded by unifying against AQI through the Awakening movement. That, coupled with an increased American troop presence beginning in 2006, ultimately led to the defeat of AQI. After chronicling how this transpired, Malkasian turns his attention to what happened in its wake. The US left, and in a naked power play the Shiite government in...
