

## Cubed (Hardback)

Filesize: 2.86 MB

### **Reviews**

*Thorough guide! Its this sort of excellent read. It is really simplified but unexpected situations in the 50 % in the book. You are going to like just how the blogger create this publication.*  
**(Prof. Lela Steuber)**

## CUBED (HARDBACK)

Random House USA Inc, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. You mean this place we go to five days a week has a history? Cubed reveals the unexplored yet surprising story of the places where most of the world's work--our work--gets done. From Bartleby the Scrivener to The Office, from the steno pool to the open-plan cubicle farm, Cubed is a fascinating, often funny, and sometimes disturbing anatomy of the white-collar world and how it came to be the way it is--and what it might become. In the mid-nineteenth century clerks worked in small, dank spaces called counting-houses. These were all-male enclaves, where work was just paperwork. Most Americans considered clerks to be questionable dandies, who didn't do real work. But the joke was on them: as the great historical shifts from agricultural to industrial economies took place, and then from industrial to information economies, the organization of the workplace evolved along with them--and the clerks took over. Offices became rationalized, designed for both greater efficiency in the accomplishments of clerical work and the enhancement of worker productivity. Women entered the office by the millions, and revolutionized the social world from within. Skyscrapers filled with office space came to tower over cities everywhere. Cubed opens our eyes to what is a truly secret history of changes so obvious and ubiquitous that we've hardly noticed them. From the wood-paneled executive suite to the advent of the cubicles where 60 of Americans now work (and 93 of them dislike it) to a not-too-distant future where we might work anywhere at any time (and perhaps all the time), Cubed excavates from popular books, movies, comic strips (Dilbert!), and a vast amount of management literature and business history, the reasons why our workplaces are the...
