HOW TO MASTER DAY TRADING SELECTION FOR BEGINNERS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you are a beginner day trader and searching around for a way to master your trade selections better this book will be an incredible read for you. This book is geared for the beginner day trade or swing trader who has little or no experience yet with advanced trade selection for high profitability. The information in this book would take someone years to figure out on their own and hours and hours of online searches to try to find out the best way to make high profits. It s all right here in this one book now. There is a certain progression of steps that every brand new day trader (or any new trader) must follow to become a consistently highly profitable professional trader. There are absolutely NO short cuts. Should any brand new trader decide to try to side step any part of the proper education and training and try to go into the live markets before you have all of the proper information and have become consistent on a demo account for however long it takes, you stand the chance of your money train going wildly off the tracks and possibly losing ALL of your capital. With some good planning and the right education and training from the very start a new investor and trader can get up to speed fairly quickly and then it is a matter of polishing ones skills and rule based plan. Once they are confident in their skills and their rule based plan is solid they should have no problems going into the live market and becoming a successful highly profitable market participant. The most important thing about market education is...
