Createspace Independent Publishing Platform, United States, 2011. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.An illustrated book of fun, rhyming riddles for big kids to read to little kids. Intended for use in schools (public, private and home) and by occupational therapists, and remedial reading specialists. I have shared Critteriddles with the children I work with in my Occupational Therapy practice. The children love it! It has been a wonderful addition to our work on listening skills, problem solving, and visualizing images. The children have also been inspired to draw and have had successful experiences in drawing their own depictions of the critters described in this delightful book. Thank you Mike, for making such a book available that can be enjoyed in such an interactive, creative, and fun way. - Winslow Savage, O.T. I am the Kindergarten teacher at Congregation Beth Israel Preschool Kindergarten. Last week, I was at the downtown library and saw your Critteriddles book. This morning I read it to a group of about 25 four, five, and six year-olds. They loved it. That s a really funny book! They were all so eager to guess the answer that we had to establish the caveat that they couldn t call out the answer until they heard me say, Can you guess what I am? When I finished, at least ten kids begged for me to read it again. - Anne Schwartz, Teacher.
