Reviews

Here is the finest publication we have read right up until now. It is actually written in easy words instead of difficult to understand. It has been written in a remarkably easy way in fact it is only right after I finished reading this book in which it basically changed me, modified the way I really believe.

This is the complete story in one package. Seeking: Events Co-ordinator - highly organised, a good communicator with an ability to adapt to the unexpected . Holly has her life all planned out, she s pretty sure everything can be confined to a clipboard or a to-do list. A perfect candidate to plan events at Wickham Hall - the beautiful country manor that rests at the heart of the village. Holly has always felt an unusual kinship with the old house. It might just be the place where Holly can uncover the secrets of the past and find out who she truly is. In the meantime, there s lots to plan at Wickham Hall; family weddings, summer festivals and Christmas grottos litter the calendar. But life and love can still surprise you. Something Holly learns when sparks fly with her new boss Ben and it seems nothing can extinguish the flames of desire. Life just isn t as easy to organise as an event at Wickham Hall (and even those don t always run smoothly.). Can Holly learn to let go, live in the moment and enjoy the unexpected? After all, life is what happens when you re making plans. A charming and romantic story certain to make you smile - perfect for fans of Carole Matthews, Trisha Ashley and Katie Fforde.
