TIME: FULL STOP OR QUESTION MARK? (PAPERBACK)

Zaccmedia, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Time, often termed as the fourth dimension, affects us all. Whatever our status, background or ability, it totally influences our actions and attitudes. But is it non-negotiable ? Does it exert complete control? Is time the ultimate full-stop ? The Bible records the eternal God intervening in the affairs of this world and individual lives. Looking at the different ways in which such intervention took place, this book considers events when God broke through our conception of time, and how Jesus exemplified a life outside of its limitations. Suitable for personal reflection or group discussion, this Biblical perspective also considers how we can experience God working beyond those constraints of time. It doesn't necessarily provide answers, but perhaps changes time to a question mark!.
