This timely and fascinating study, which is the third volume of the author s well-received Ruminations on the Golden Strand series, offers a refreshing perspective that leads to a reconnection with the Divine and a wholesome life. As the season of the full blossom of good and evil co-joined as twins besets the times through the onslaught of today s information age, mankind deliriously gouges on its intoxicating feast to harbor an illusion of empowerment. As a result, many are bereft of wholeness in life and are unwarily being carried down a vortex of destruction as if by an unseen hand. But mankind can yet regain good footing and find the right balance in life with spiritual transformation through Christ. Etching for the Heart has been written to help aspiring seekers achieve full spiritual transformation and find that sweet balance which enables mankind to be in tune with the Divine to thereby realize the wholeness and fulfillment much longed for today. There are twenty-two chapters in Etching for the Heart that include Basking in Divine Sunshine, Marked for a New Life, The Passageway of Light, Love that asks for Nothing, Entrusted with the Key, Writing a New Script, The Summit is for the Faithful, as well as many distinctive others. Remarkably written with illuminating candor that resonates within the heart and binds to the soul, Etching for the Heart informs, guides, encourages, and inspires the aspiring seeker who heeds the call of faith to realize spiritual transformation in the light of Christ.
