Outskirts Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Furnace of Life: from Nigeria to America is a very good read and will keep you curious, laughing at times, and wondering what will happen next. Details my failures, common to both males and females, triumphs, how to handle rejections and failures, and why they are a foundation for any level of success 4. Shows my love for both Nigeria (country of birth) and its culture, my love for United States of America, the good-bad-ugly conditions in both countries, and ideas on how to engender a community to help make people s lives a little bit better.
