# Planned Bullyhood The Truth Behind the Headlines about the Planned Parenthood Funding Battle with Susan G. Komen for the Cure

By Karen Handel

Howard Books. Paperback. Condition: New. 304 pages. For at least a decade, Susan G. Komen for the Cure, the worlds leading breast cancer organization, had been dealing with the backlash from pro-life conservatives because of its grants to Planned Parenthood, the worlds largest abortion provider. According to Karen Handel, Komens senior vice president of public policy in 2011, the two organizations had mutually agreed to part ways amicably. But then Planned Parenthood surprisingly unleashed a media attack against Komen, waving the banner of womens health as a shield for its underlying political agenda. Public criticism against Komen intensified with damaging consequences, eventually concluding in Komens surrender and Karens resignation. In daring to walk away, Komen had unwittingly ignited a battle in which it became collateral damage in a larger election-year war between liberals and conservatives for the souls (and votes!) of women and the nations consciencewith abortion and contraception linked as ultimate wedge issues. What exactly went on inside this firestorm of controversy Were there larger forces at play In this tell-all, highly charged account, Karen Handel breaks the silence and finally reveals what really happened in the winter of 2011.
