Reviews

*Excellent eBook and valuable one. It normally will not price too much. Your daily life span is going to be change once you comprehensive reading this ebook.
(Ezra Bergstrom)*

RAGE OF THE MAMBA: AFROFUTURISM (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****.Religion and Sexy Sci-fi Collide The Holy, Immortal Mamba dominate all hi-tech civilizations within a major galactic cluster. The Mamba Queen demands a sacrifice from a tiny, unknown planet hidden in the vast wilderness of space; a wet, blue world called Earth. However, the human male she has chosen is reluctant to obey her commands. He rejects her. Reality trembles and cracks the fabric of space-time. Demons arise and seek revenge against the religious tyranny of the Mamba. Monsters creep out from the crevices of dark matter to destroy the Queen, her chosen mate and God itself. It is not wise to enrage a Mamba -- a powerful servant of the Everlasting Almighty -- who with a modest blink can shrink entire star systems and their planets into black holes. The Honored Mamba Queen must consider drastic actions to prevent an Universal Holocaust and save the one being she has chosen to defend and love.
