By William G Tapply

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. The murder of a Green Beret points Brady toward a chilling Vietnam cover-up. Daniel McCloud may grow marijuana, but as far as he s concerned, that does not make him a criminal. A Vietnam veteran still suffering from exposure to Agent Orange, he s found no help from the government and no relief outside of homegrown grass. When the local police in his small New England town bust him for possession, a friend reaches out to Brady Coyne, a Boston lawyer who usually works with New England s upper class. Brady is readying Daniel s defense when the case is inexplicably dropped. He s just beginning to wonder why when the veteran is found murdered. McCloud had written a memoir, but the manuscript is nowhere to be found. Someone killed the author to keep it from ever seeing the light of day. As Brady digs into McCloud s time in the army, he finds that this troubled vet made some enemies in the jungle.
