Little, Brown Company, United States, 2010. Paperback. Condition: New. Reprint. Language: English . Brand New Book. When Penguin gets pooped on by a goose flying by, he becomes more determined than ever to fly. So, with the help of his other flightless friends (also known as the Waddlers), the foursome set about building a flying machine. Flight of the Dodo is a humorous adventure story about the desire to fly, the persistence to dream big, and most important of all, poop! With a theme and style reminiscent of the popular Chicken Run movie, this debut picture book by the New York Times bestselling author-illustrator introduces a cast of quirky, can-do characters that children will love and identify with.
