Reviews

This pdf might be really worth a go through, and far better than other. It can be packed with wisdom and knowledge Its been written in an exceedingly straightforward way and is particularly only soon after i finished reading through this pdf by which basically changed me, modify the way in my opinion.

Outskirts Press, United States, 2009. Paperback. Book Condition: New. 198 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A Mistaken Diagnosis. A Bungled Medical Treatment. And a Husband who Refuses to Keep Silent. What if medical professionals who were supposed to make you well instead pumped dozens of drugs into you with little rhyme or reason? That s what happened to Sue Roberts, after suffering a debilitating fall at a pleasant Friday-evening dinner party. Sue s Nightmare, written by her husband Dean, chronicles the 20-month ordeal that followed, filled with incompetent doctors, unthinking bureaucracies-and the search for truth driven by unyielding love. Told through a mixture of traditional narrative and intimate diary-type entries, Sue s Nightmare shows what happens when doctors reject common sense for expediency s sake. In Sue s case, an obviously mistaken lab result convinced medical staff she was an alcoholic, resulting in prescriptions for a slew of unneeded pharmaceuticals. Despite Dean Roberts pleas, doctors continued to force the drugs, and the side effects contributed to a declining quality of life as Sue suddenly confronted her biggest and most unexpected medical challenge yet. Sue s Nightmare is about the perils of a health care system that fails to put patient interests first, and a legal system that restricts monetary awards for winning lawsuits to seek redress. But it s also one couple s enduring love story amid the grief, and a husband s kept promise to his dying wife.
