From not knowing a word of Spanish to his humorous attempts to communicate with the people he encountered. Navigating his own way around from one country to another. Experiencing every form of transport from a horse and cart to a five star coach. From sleeping on the floor of a Buddhist temple to a mat in the middle of a jungle. Finding himself left literally penniless in the middle of nowhere in a foreign country. And how his experiences with the people he met, like drugs, waste, terrorism have changed his views. He left with no purpose, other than to step out the door, travel and explore. But then...
