

Transitions of the Heart: Stories of Love, Struggle and Acceptance by Mothers of Transgender and Gender Variant Children

By Rachel Pepper

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Transitions of the Heart is the first collection to ever invite mothers of transgender and gender variant children of all ages to tell their own stories about their child s gender transition. Often transitioning socially and emotionally alongside their child but rarely given a voice in the experience, mothers hold the key to familial and societal understanding of gender difference. Sharing stories of love, struggle, and acceptance, this collection of mother s voices, representing a diversity of backgrounds and sexual orientations, affirms the experience of those who have raised and are currently raising transgender and gender variant children between the ages of five and fifty. Edited by Rachel Pepper, a gender specialist and co-author of the acclaimed book The Transgender Child, Transitions of the Heart will prove an invaluable resource for parents coming to terms with a child s gender variance or transition.
