THE RESPONSIVE WEB (PAPERBACK)

Manning Publications, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book. DESCRIPTION In a world of mobile devices, new browsers, and changing standards each page of a website can require an unmanageably-large number of separate designs. The emerging practice of responsive web design employs techniques that allow a single page to efficiently adapt to whatever device or platform loads it. This means shorter deployment times, more maintainable sites and applications, more consistent presentation, and happier users. The...
