Condition: New. Publisher/Verlag: Random House UK | From world-class forensic anthropologist Kathy Reichs, the international no. 1 bestselling crime thriller writer and the inspiration behind the hit TV series *Bones*, comes a new blood-pumping thriller. | Meet Sunday Night, a woman with physical and psychological scars, and a killer instinct. Sunnie has spent years running from her past, burying secrets and building a life in which she needs no one and feels nothing. But a girl has gone missing, lost in the chaos of a bomb explosion, and the family needs Sunnie's help. Is the girl dead? Did someone take her? If she is out there, why doesn't she want to be found? It's time for Sunnie to face her own demons - because they might just lead her to the truth about what really happened all those years ago. With Kathy Reichs, the reader knows that they are in the hands of an expert. As a forensic anthropologist, 1 of only 82 forensic anthropologists ever certified by the American Board, Reichs's real-life expertise has given her novels an authenticity that most other crime novelists would kill for. From teaching FBI agents how to detect and recover human remains, to separating and identifying commingled body parts in her lab, no one is better qualified to write about what it's really like to catch the killer and solve the crime. | Format: Paperback | Language/Sprache: english | 238 gr | 178x111x27 mm | 448 pp.
