

The Devil's Assassin

By Brian M Holmes

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.After a long day of work as a New Jersey prison guard, Linus Hather wakes up one night to find that his high-tech security system has caught an unexpected intruder. Upon seeing it, he calls his old college buddy who is a biology professor and he comes to Linus's house and tells him that he's captured a new man-related species (a hominid) that will change the world (in the same way that capturing a Bigfoot would)! His friend and the other scientists who come to take the creature away pronounce it as not dangerous. But Linus has evidence (or Had!) that the creature is a killer and was actually on his way to kill Linus that night. He has no luck convincing his friend, or the scientists, that the creature is a threat. Much to the scientists' chagrin, it has escaped, and not only does the creature turn out to be dangerous, but basically it's a serial killer. And if that's not enough bad news, the evidence is stacking up that there appears to...
