The Path of the King is a 1921 novel by the Scottish author John Buchan, presented as a loosely-coupled series of short stories. In a prologue to the novel, three men discuss around a camp re the notion that the spark of masterful men may be transmitted down from generation to generation, and even though it may smoulder for generations and may seem lost, will reappear and are up when the time is right. In in the rst episode, a Northern princes golden torque represents the symbol of his royal status. On his death, the gold is remodelled as a ring which is handed down from generation to generation until it is eventually inherited by the mother of Abraham Lincoln. In an epilogue to the novel, set many years later, three men stand watching the funeral cortge after Lincolns death. There goes the rst American says one. The young British attach replies I dare say you are right, Professor, but I think it is also the last of the Kings. In her 2009 book Reassessing John Buchan: Beyond the Thirty...
