University of Georgia Press, United States, 2012. Paperback. Book Condition: New. 251 x 203 mm. Language: English . Brand New Book. In Atlanta and Environs, historian Franklin M. Aside from its importance as a historic site, Oakland is among the nation s finest examples of a rural garden cemetery, characteristic of the nineteenth-century movement to transform stark burial grounds into pastoral landscapes for both the repose of the dead and the enjoyment of the living.With Ren and Helen Davis s engaging narrative, rich photography, archival images, and detailed maps, Atlanta s Oakland Cemetery is a versatile guide for touring the cemetery S...
