CATHOLICISM AND PROTESTANTISM - TWO WAYS OF LOOKING AT THE WORLD?

GRIN Verlag Dez 2007, 2007. sonst. Bücher. Book Condition: Neu. 208x32x15 mm. This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2005 in the subject English Language and Literature Studies - Literature, printed single-sided, grade: 1-2, University of Constance, 11 entries in the bibliography, language: English, abstract: Catholicism and Puritanism are important elements of the Christian religion. For about 19 % of today s world population (about 995 million people) Catholicism still plays a major role in their lifes and also Puritan effects can still be observed by looking for instance at the society of the United States of America. But what are the main elements of these religious movements Chapter 1 is supposed to give a general introduction into the topic. In order to do so Catholicism and Puritanism are separately examined. Chapter 2.1 and 2.2 therefore take a closer look at historical developments, main content elements, standpoints and attitudes of these two religious groups. Since this is a literary studies paper it is going to examine a literary work. In 1796 Matthew Lewis published his first book called The Monk . The 19 year old author created it in only ten weeks. The book became extremely popular which made Lewis very well known, often under the name Monk Lewis. Chapter 2.3 The historical and intellectual background in England at the publication of The Monk describes the situation in late 18th century England before starting to analyse the text in chapter 3. This seems adequate since it is supposed to provide the reader with background knowledge and help him to understand the intense public reaction towards the publication of the book and also helps to understand contemporary views and issues that preoccupied many people of the time. Thereby general historical facts...
