After reading Tales from the sacred mist we want the reader to realise that small personal changes can lead to self-improvement. We hope Tales from the sacred mist will enliven the reader to view their life and the world around them differently. A short extract: For as much as we have suffered. (page 18) Alternatively, May love give us the courage to overcome. (page 20) The bold words reinforce the non-bold words and illustrate an opposing view. We want Tales from the sacred mist to encourage the reader to start their journey of self-discovery and help those who are already there.
