

The Undivided Heart:: The Western Monastic Approach to Contemplation (Paperback)

By OCSO Michael Casey

St Bede's Publications, U.S., United States, 1994. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The desire to have some experience of God is widespread. Many persons of all ages have a genuine yearning for communion with the spiritual world. The trouble is that we are never quite certain how we should invest our energies to ensure that we are moving closer to the truth and not deeper into delusion. It seems prudent, therefore, to look for guidance from those who have actually made the journey and are skilled in initiating others. This is why we approach the great contemplative traditions: to find out something about prayer and the sort of life that facilitates its growth. We cannot always generate our own solutions because our horizons are limited. The first thing we need to learn is to look at life from a different perspective. Here the ancient spiritual masters can serve us well. The key idea that is common to these teachers is that contemplation is possible only for those who have puritas cordis: an undivided heart. The act of communion with God is one which engages the whole person and calls upon all...

Reviews

A must buy book if you need to adding benefit. it absolutely was writtern very properly and valuable. I found out this book from my i and dad advised this ebook to find out.

-- **Amanda Larkin**

This ebook may be worth getting. I actually have read through and i am sure that i am going to likely to read through again once more down the road. You will not sense monotony at whenever you want of your respective time (that's what catalogues are for relating to should you check with me).
