Empire Publications Ltd. Paperback. Book Condition: new. BRAND NEW, Red Eye: A Manchester United Fan's Distorted View of the World, David Blatt, 365 days, 90000 miles, 4 continents, 25 countries, 42 flights, 26 buses, 11 trains, 60 matches and 1 wife who hates football! For any ordinary individual, a round the world trip of a lifetime would mean abandoning all thoughts of everyday life and embracing a jet-set lifestyle. Not so David Blatt. While his long-suffering wife Helene embarked upon a 90,000 mile odyssey with thoughts of ticking off as many of the world's wonders as possible, David felt the magnetic pull of the other love of his life, Manchester United, and the prospect of a whole year without football. As David proves in The Red Eye it is now possible to watch the world's most famous club from almost any part of the globe, with the honourable exception of the Galapagos Islands. From India to Brazil via most points in between, he catches the reds on dodgy internet streams, at the back of beachside cafes, in restaurants, Aussie pubs and overcrowded hotel reception areas, while Helene plans the next day's breathtaking trip to the likes of the Taj Mahal or Macchu Picchu. What emerges is a humorous trip around half the planet with the protagonists often at odds over the purpose of the day -- sight-seeing or United.
