Analysis and Interpretation of Eighteen Violin Compositions (Classic Reprint) (Paperback)

By Violinist Publishing Company

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Analysis and Interpretation of Eighteen Violin Compositions This series has run continuously in The Violinist for more than a year, beginning with March, 1910. After six months there was a demand for files of the magazines including this series - a continually increasing demand, which we were unable to satisfy. So we have compiled in book form these articles, and offer them to the teachers and students of America. That both students and teachers have availed themselves of these well thought - out lessons is borne in upon us as we receive notices of concerts from all parts of the country, with these selections on the programs. And that the careful analyses, the attention to theme work, the beautiful effects by different phrasing or bowing have had good results, is proved by the fact that the playing of these compositions has so frequently called forth special praise.
