By Josie Peterson

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Evelyn Dunbar and other comedies is a little book of satirical monologues. Cockney Polly is a story about a restaurant where no matter how hard you try, you will not get what you want. All major characters from that great English novel, Wuthering Heights, collectively run this wonderful mafia establishment and employ the beleaguered waitress, Polly. M. Smith is an extended editorial told at the wrong place/wrong time by a simple New York City dj. Evil Baby Jane is a dark take on the subject of pedophilia, and how a determined child attempts to thwart this scourge. Life as A Roman Catholic tells a tale of a little girl suffering and growing up through the episodes of her religion and far too much New Jersey Italian culture. Evelyn Dunbar is a confessional told by a deceased and lonely screen star who fell very, very, very far from grace, only to absolve herself by speaking up!.
