John Hunt Publishing, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. New Reiki Software for Divine Living examines Reiki, the world s most popular form of energy healing as a type of spiritual technology which can be upgraded to impact every area of our lives. This book interprets Reiki as an energetic embodiment of Divine grace, something designed to not only heal but also uplift, inspire and bring us into alignment with our Divine purpose. Offering an entirely new upgrade to Reiki technology called Mikao Usui s Reiki Crystal of Awakening, the book shows us ways that Reiki can be simplified so anyone can use it, without the complex symbols or long sequences of hand positions that are part of traditional Reiki training.
