

Southeast Utah Group Research Plan (Classic Reprint) (Paperback)

By National Park Service

Forgotten Books, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Southeast Utah Group Research Plan The National Park Service (nps) has made a goal in recent years to strengthen the quality of its research program. There seems to be no end to the list of needed research projects. Many parks have not accumulated adequate inventories of their resources, let alone conducted needed research on them. With so many research possibilities, it is necessary to identify and prioritize research goals. The Southeast Utah Group (seug) of the nps, comprising Arches National Park (arch), Canyonlands National Park (cany) and Natural Bridges National Monument (nabr) addressed this problem by inviting a panel of specialists in a variety of natural resource fields to discuss research needs of sbuc. Due to a heavy snowstorm falling the weekend the panel was held, not all of the participants were able to attend the meeting. Though not attending, they still made contributions through correspondence. On the final day of the discussion land managers from the nps, Bureau of Land Management (blm) and Forest Service (usfs) were presented the results of the panel's work and...
