

## Port Mungo

By Patrick McGrath

Bloomsbury Publishing PLC, United Kingdom, 2005. Paperback. Book Condition: New. 198 x 129 mm. Language: N/A. Brand New Book. Throughout their privileged but highly eccentric childhood Jack Rathbone has enjoyed the constant adoration of his sister Gin. When both attend art school in London, Jack plunges into a passionate affair with Vera Savage, a painter some years his senior, and they soon run away to New York. From a bruised and bereft distance Gin follows their southward progress to Miami, then Havana, and so to Port Mungo, a wilting swamp town on the steamy Gulf of Honduras. There Jack devotes himself to his art, and works with a fervour as intense as the restless, boozy waywardness to which Vera succumbs, which even the birth of two daughters cannot subdue. As the tension builds, a tragedy occurs that will tear apart not only their world but that of Jack's watchful sister, Gin.

*It is one of the most popular publications. It is actually written in easy words instead of confusing. You will like how the author created this book.*

*The very best book I actually read through. I have read through it and I am certain that I will likely read through it again and again down the road. I realized this ebook from my dad and I suggested this book to learn.*
