Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from A First Italian Course, Vol. 1 The following Work has been drawn up by Signor Ricci, Professor of Italian in the City of London College, on the same plan as the Principia Latina and the French and German Principia. The main object of the book is to enable a beginner to acquire an accurate knowledge of the chief grammatical forms, to learn their usage by constructing simple sentences as soon as he commences the study of the language, and to accumulate gradually a Stock of words useful in conversation as well as in reading. The grammatical forms are printed in conspicuous type and at full length, as no sound knowledge of the language can be acquired unless the pupil becomes thoroughly familiar with these forms. But at the same time it is important that the learner should be exercised from the first in the construction of Sentences, so as to test by practical application the grammatical forms. The present Work thus contains Grammar, Delectus, and Exercise-book, with Vocabularies, and consequently presents in one book all that the beginner will require for some time in his study of the language. The Grammar has been made as complete as possible, so far as the forms are concerned, in order to obviate the necessity of the use of any other Grammar. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
