Little, Brown Company, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. After being exposed on national television while turning wolf, Kitty heads to the mountains of Colorado to pen her memoirs and get some much needed R and R. But this is Kitty, so trouble is never far behind, and instead of Walden Pond, she gets Evil Dead. First someone leaves grotesque animal sacrifices on her front porch to curse her, then werewolf hunter Cormac shows up with an injured Ben O Farrell, Kitty s lawyer, slung over his shoulder. Two hotties and one Kitty in a single-room cabin - can the situation get more tense? When a wolf-life creature with glowing red eyes starts niffing around the cabin, Kitty wonders if any of them will get out of these woods alive.
