John Wiley and Sons Ltd. Paperback. Book Condition: new. BRAND NEW, Social Intelligence: The New Science of Success, Karl Albrecht, Karl Albrecht defines social intelligence (SI) as the ability to get along well with others while winning their cooperation. SI is a combination of sensitivity to the needs and interests of others, sometimes called your "social radar," an attitude of generosity and consideration, and a set of practical skills for interacting successfully with people in any setting. Social Intelligence provides a highly accessible and comprehensive model for describing, assessing, and developing social intelligence at a personal level. This book is filled with intriguing concepts, enlightening examples, stories, cases, situational strategies, and a self-assessment tool - all designed to help you learn to navigate social situations more successfully.
