Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Reports from the Soul is a balm for pain, generating joy, and induced self validation through liberating citations. The poetry inspires one to break through confined walls and move like liquid over mountains. It is a recipe of dreams with spicy thoughts, fusing emotions, people and time together. Reports from the Soul is filled with restorative cultural dialects once forgotten, family and magic, trials and tribulations that one can relate to despite their social status. The illustrations paint ancestral memories that take you on an imagiry journey of reflection, with thoughts of celebration and gratitude for those who have built a foundation for you to flourish.
