

The Pampered Child Syndrome: How to Recognize it, How to Manage it, and How to Avoid it - A Guide for Parents and Professionals (Paperback)

Filesize: 1.39 MB

Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

(Dr. Sarai Fisher DDS)

JESSICA KINGSLEY PUBLISHERS, United Kingdom, 2005. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. The Pampered Child Syndrome is a welcome source of advice for parents or professionals working with children who are given all the love and care they need, yet who remain unhappy, anxious or angry. This book argues that we live in a society where real progress has been made in the development of child-centered parenting, education and care, but that this cultural shift has produced a generation of children who are entitled to the same rights as adults but not ready to accept grown-up responsibilities - children who are loved too much . Dr. Maggie Mamen describes common characteristics of the pampered child, and offers practical advice on how to strike an effective balance between caring for and nurturing children while at the same time maintaining authority and respect. The Pampered Child Syndrome also tackles the difficult issue of child mental health. Drawing on her professional expertise as a clinical psychologist, Dr. Maggie Mamen outlines how the symptoms of the pampered child can be similar to those used to diagnose many common emotional, behavioral, and psychiatric disorders. She flags up the danger of misdiagnosis and asserts the critical importance of maintaining a distinction, offering clear guidance on identifying genuine disorders. This book will offer valuable support and encouragement to parents, teachers, and health and social care professionals who want to raise children who are confident, happy, healthy, and socially aware.
