Lippincott Williams and Wilkins, United States, 2017. Paperback. Condition: New. 12th Revised edition. Language: English . Brand New Book. The Workbook for Introductory Medical-Surgical Nursing is designed to help students practice and retain the knowledge gained from the textbook and provides a basis for applying that knowledge in nursing practice. Each chapter of the Workbook is divided into three sections: Assessing Your Understanding, Applying Your Knowledge, and Getting Ready for NCLEX. The first section concentrates on the basic information of the textbook chapter and helps students remember key concepts, vocabulary, and principles with exercises like Fill in the Blanks, Labeling, Matching, Sequencing, and Short Answers. The second section consists of exercises that ask students to apply the knowledge gained through short answers questions, critical thinking exercises, and case study activities. The third and final section helps students practice answering NCLEX-PN questions to reinforce knowledge. The answers to the Workbook exercises are provided on the Instructor side of the Point.
